

ARTWORK REQUIREMENTS FOR DIGITAL PRINTING

Line-art images (original artwork) can either be transferred or emailed to our artwork department, and can be processed if the following conditions are adhered to:

Only **ORIGINAL** images are acceptable.

Scanned images, TIFF, JPEG, GIF, doc. Or any other files may be good for inspection but NOT, Repeat: NOT suitable for reproduction.

The required artwork format is Adobe Illustrator CC 2019, or an editable pdf. with all text converted to paths. Please do not email complete suitcases of fonts as subsequent usage for other applications would be illegal anyway. We are Mac based, so artwork generated from either Macs or PC would be acceptable.

DIGITAL PRINTING REQUIREMENTS:

We are able to digitally print full colour directly onto fabric. As this is large scale printing, if you are sending an image please provide it at high resolution.

Images required for digital printing needs can be designed at half the size of the actual print size with a 300dpi. **OR** it can be designed to scale with a 150dpi.
It can be saved as a tiff, eps or an editabl pdf.

Please provide Pantone colour reference for matching purposes

We cannot guarantee the quality of the final print if these guidelines are not followed. If all the above guidelines are met for both forms of artwork, we guarentee a speedy commencement and delivery of the final job.

Artwork to be emailed to artwork@eezee.co.za and cc sales@eezee.co.za
